If the requirements of Section 4-4 of Chapter 4 are not complied with, the City may revoke any permit granted under this section and/or initiate prosecution for a civil infraction violation. Each day a violation exists shall constitute a separate offense. A person who has been issued a permit shall submit it for examination upon demand by any Police Officer or Code Enforcement Officer. Chickens shall be provided with a covered enclosure and must be kept in the covered enclosure or an adjoining fenced enclosure at all times. Fenced and covered enclosures are subject to all provisions of Chapter 50 (Zoning). Notwithstanding the issuance of a permit by the City, private restrictions on the use of property shall remain enforceable and take precedence over a permit. Private restrictions include but are not limited to deed restrictions, condominium master deed restrictions, neighborhood association by-laws, and covenant deeds. A permit issued to a person whose property is subject to private restrictions that prohibit the keeping of chickens is void. The interpretation and enforcement of the private restriction is the sole responsibility of the private parties involved.

I hereby certify that all the statements made in this application are true, complete, and correct, to the best of my knowledge and belief and are made in good faith.
