

All-of-us Express Children's Theatre

SCHOLARSHIP APPLICATION (supported by the Evelyn Weymouth Scholarship Fund)

All-of-us Express Children's Theatre (AECT) is committed to providing arts education to all interested youth, regardless of families' current financial situation. Generally, AECT can cover 75% of the participation fees only. Scholarship funds cover participant fees only; they do not cover extra fees for t-shirts, DVD's, photos, cast party, etc. *All scholarship forms are confidential and will be reviewed by AECT President only.*

In order to keep fees low, a **requirement of scholarship approval is that a parent or other adult sign up to volunteer** at a fundraising event or for one of the slots in one of these areas: back stage/green room parent, laundry helper usher crew head, lobby display, or set transportation (Riverwalk only); (see sign-up sheets for details). If a parent or other adult does not volunteer for an event it will preclude the youth from receiving further scholarships until the volunteer obligation is fulfilled.

Completed applications can be returned to Kathleen Miller or **the front desk at the East Lansing Hannah Community Center** in a sealed envelope.
