The Telling Tales Travelling Troupe is a new program at All-of-us Express designed to cater to the older generation of youth actors and develop their performance skills. As a troupe member, youth will learn improvisation games, advanced characterization techniques, in-depth analysis, and professional preparedness. This troupe outlet also offers an excellent platform for youth to strengthen and challenge their own abilities.

Troupe members will rehearse three separate travelling shows during the listed rehearsal dates. After which, the troupe will travel to summer festivals and daycares in the surrounding areas (examples: East Lansing Arts Festival, Renegade Theatre Festival, YMCA summer camps, etc.) to perform tales for children.
